## ***PRESIDENTS NOTES...***

*Greetings for the New Year!*

As I look back on 2018, it passed by in a flurry of activity. We finished up the Fall Food Drive with the donations going to the Community Action Food Pantry, we rang the bell for Realtor Ring Day for the Salvations Army's Red Kettle Campaign and we had a fun, very well-attended Christmas Party, which also raised money to be donated to the Realtor's Political Action Committee (RPAC) and four local charities: the Backpack Program, Salvation Army, Safe Shelter and Community Action. Many thanks to those that contributed silent and live auction items and to those that purchased them!

Looking forward to the next couple of months, we have several items in the works including CE, a spring fundraiser, an open house event and the annual JBOR booth at the Home and Garden Show April 6-7.

**Committee members needed!! We may be a smaller Board of Realtors than most but that doesn't mean we can't make a BIG impact! To do that we need folks to help our events happen. Please contact me or any other board member if you would like to make a difference.**

~ **Sally Domke**  
JBOR President
