PRESIDENTS NOTES...

Happy Fall Y'all

First of all I want to extend a very sincere and humble THANK YOU for choosing me as the Realtor of the Year, it was so unexpected and much appreciated!

I just returned from the 2019 Convention of the Dakotas in Deadwood, SD and I want to emphasize the importance of taking part in your Local Realtor® Association, State Association and even the National Association of Realtors®. NAR aims to demonstrate to consumers the value REALTORS® bring to the real estate transaction and beyond—in their communities, in their understanding of local markets, and in their influence on public policies that encourage and facilitate real property transfer and ownership.

I have to say that I have learned a lot by attending the State meetings, especially about the political side and the issues that affect us in our everyday businesses. Sitting in on the government affairs meeting during the legislative session, as the NDAR lobbyist reviewed the long list of bills that affect us and our businesses really made an impact. The ND/SD State Conventions are definitely worth attending as well. They are a great source for future referrals from different agents that you meet, they always provide quality continuing education credit sessions by national speakers (most are included as part of your registration fee) and they always have entertainment, a golf

tourney and other local excursions. This year we attended a Night Ranger concert! The 2020 convention is in Grand Forks Sept 16-18, 2020. Mark your calendars and try to attend, join an committee, take an interest!

In July the JBOR participated in Miracle Treat Day to raise funds for the Children's Miracle Network with yummy DQ Blizzards and we had a great turnout! We also had good attendance at our booth at the UJ Community Block Party the last week of August and coming up yet this fall we will have some sort of community fundraiser as well as Bell Ringing for the Salvation Army and last but not least our annual JBOR Christmas Party/fundraising event.

Thanks again to all that participated in treats and booths and fundraisers!

Together we can do Great Things!
